COMPANY PROFILE

Customs Clearing and Drap Karachi, Office Consultant

About Us:

Nathanies International Services is a Customs Clearing and Forwarding Agency based in Karachi, Pakistan. With a strong focus on the pharmaceutical sector, we specialize in providing efficient and reliable Customs Clearance and Forwarding services tailored to meet the unique needs of multinational pharmaceutical companies operating in Karachi. Over 90% of our esteemed clientele belong to the pharmaceutical industry, underscoring our expertise and specialization in this sector.

Mission:

Our mission is to streamline the import and export processes for our clients in the pharmaceutical industry, ensuring timely delivery of their products while maintaining compliance with all regulatory requirements.

Services:

- Customs Clearance: We handle all customs clearance procedures with precision and efficiency, ensuring that shipments are cleared up without delay.
- Consultation: We provide expert consultation services to help clients navigate complex customs regulations and optimize their supply chain operations.
- Cold Storage Transportation: We offer best-in-class cold storage transportation services, ensuring strict quality control and adherence to temperature-sensitive requirements throughout the transportation process. Our solutions are tailored to meet the specific needs of each client, ensuring safe and compliant delivery.
- Drap NOC Support: We offer services to our clients in obtaining No Objection Certificates (NOCs) from the Drug Regulatory Authority of Pakistan (DRAP) in Karachi. Our team guides clients through the application process, ensuring compliance with all regulatory requirements for the import and export of pharmaceutical products.

Clientele:

Our clientele predominantly consists of multinational pharmaceutical companies operating in Karachi. We have established ourselves as trusted partners in the pharmaceutical industry.
